## Romio Introduces Luxury Dentistry NYC to a New Local Audience in New York City

Romio & Luxury Dentistry host an afternoon of discussion and pampering for local New York City health, fitness, and lifestyle bloggers.

NEW YORK, NY (PRWEB) MARCH 18, 2013

Romio, an innovative online local recommendations site that connects people with the best around them, and cosmetic spa-dentist [Luxury Dentistry NYC](#) announced today it will host an experiential event, "Love Your Smile". The event, which will take place at Luxury Dentistry's Upper East Side location on Wednesday, April 10, from 3:00PM to 6:00PM, will feature a discussion led by lifestyle blogger Jenny Champion of Pure Forme and Luxury Dentistry's Dr. Steven Davidowitz. The event will highlight Luxury Dentistry's spa-like environment, and focus on the relationship between oral health, beauty, and wellness. Guests will be treated to complimentary manicures by beauty experts Primp In-Home, who specialize in bringing spa and salon services to clients' homes.

"At Luxury Dentistry, we want everyone to love their smile and have a relaxing experience while we help them achieve the look they desire," said Dr. Steven Davidowitz, DDS at Luxury Dentistry NYC.

"We're committed to connecting people with the best local services and businesses through trusted friends and locals," said Tarik Sansal, CEO of Romio. "Our partnership with Luxury Dentistry and Pure Forme is another example of how Romio reveals a brilliant dental practice with an original approach through local experts and recommendations from friends."

Learn more about the event by visiting: <http://pitch.pe/WGW2hp>

To receive details and attend, please RSVP on our EventBrite page here: <http://loveyoursmile.eventbrite.com/>

\*Event is free and open to the public but limited to the first 25 people who RSVP.

#### About Romio:

Romio is an innovative resource that allows users to share, search, and discover neighborhood recommendations from local experts and friends. Romio strives to make your life easier by connecting you with the best your city has to offer.

#### About Luxury Dentistry NYC:

Luxury Dentistry's team of professionals work to make smile dreams come true. They accomplish this by working closely with you from start to finish. Their smile concierge uses special expertise to educate you about the latest cosmetic procedures and their benefits. From there, the dental team will take over and work with you to design the smile you desire. Luxury Dentistry strives to make the patient experience comfortable and positive, one that results in keeping your smile bright for many years to come.
